## FOREWORD

### *History*

This comprises the codification of the ordinances of the Borough of Christiana. The town of Christiana was originally settled in 1775 and incorporated as a Borough in 1894.

The Code of Ordinances of the Borough of Christiana was prepared by Keystate Publishers, Inc., and adopted by the Borough of Christiana Borough Council on June 5, 2007 by Ordinance Number 205.

### *Organization*

The Code contains four parts which are (1) the valid current ordinances of the Borough of Christiana contained in Chapters 1 through 27, (2) the Appendix, which lists by abstracted title all ordinances of a temporary or "one time" nature, (3) the Table to the disposition of each ordinance ever enacted by the Borough of Christiana, and (4) the Index, which is an alphabetical arrangement of subjects.

In the Code each Chapter is separated by a divider tab, and specific ordinances can be located by subject on the contents page at the beginning of each Chapter. The Index may also be used to search for a subject when one is looking for general information on a particular subject, or if it is not known in which Chapter the subject might be found. The Appendix consists of several general categories containing a chronological listing of short subject descriptions along with a reference to the original ordinance and its date of enactment, if known.

The Table to disposition indicates what action has been taken by the Borough of Christiana Borough Council with regard to every ordinance ever enacted. An ordinance has either been (1) specifically repealed, (2) superseded by another ordinance, (3) is located in a Chapter of the Code book, or (4) is located in the Appendix. Annual tax rate and budget ordinances are located only in the Table. The Table is a cross reference to the original ordinance books of the Borough of Christiana, and to the location within the Code of each ordinance by number.
